

Pre-AP Professional Development

July 12-13, 2005 Billings, Montana on the MSU-B Campus, 1500 N 30th

The Pre-AP Professional Development Workshop offers 2 courses:

Pre-AP Strategies in Science—Creating a Learner-Centered Classroom

This course is appropriate for teachers grades 5-10. The course will be held July 12-13, 2005.

This two-day workshop will provide strategies for designing and using meaningful investigations, writing dynamic problems, and enhancing current classroom activities, so that students will develop deeper understandings and produce more thoughtful responses. Teachers will examine how successful students learn and how to develop those skills in others, as well as relevant, informative assessment that will allow teachers to monitor and foster scientific thinking without interrupting instruction.

Pre-AP Instructional Leadership for Administrators

This one-day course will be held July 13, 2005.

This one-day workshop is designed for secondary instructional leaders: Board members, superintendents, principals, central office staff, and counselors. In this workshop, participants will learn how Pre-AP Professional development (Pre-AP), specifically AP Vertical Teams, can be used to create a system that challenges all students to perform at rigorous academic levels. Participants will be able to: Include Pre-AP professional development and AP Vertical Teams in school development plans; Organize and develop support systems for AP Vertical Teams; And evaluate the impact of AP Vertical Teams on school improvement.

There is no registration fee for Montana teachers or administrators. Montana teachers may be eligible for grant funding to cover travel costs for this workshop. Contact Kathy Molloyhan at OPI for information, kathym@state.mt.us Out of state registration fee is \$250 (no refunds after May 20 for out of state participants).
